

# JAEHOON SONG

Suwanee, GA 30024

manual20151276@gmail.com · (470)-350-8926

*To obtain a position in the broad fields of computer science.*

## Education

### Gwinnett Technical College

*Computer Programming, Associate of Applied Science*

**Lawrenceville, GA**

*May 2021*

- **Cumulative GPA:** 3.97 / 4.00
- **Relevant Coursework:** IT Analysis and Project Management, Advanced Systems Project, C++ Programming, Java Programming, and Structured Query Language
- **Certificate Achieved:** Java Programmer (22 credit hours)

## Skills

**Language Proficiency:** Korean (Primary) and English (Second)

**Software Proficiency:** Microsoft, Adobe, and a variety of IDEs for programming languages

**Programming Languages:** Java, Python, C++, HTML / CSS, and SQL

## Relevant Experience

### Java Programming, Midterm Project

*Northwind Database Query Tool (JDBC Project)*

**Lawrenceville, GA**

*January 2021 - March 2021*

- Developed a database having consistent data structures by using Oracle SQL Developer.
- Constructed an Oracle Thin driver to facilitate communications between JDBC and the database.
- Demonstrated a JavaFX program establishing a connection to the driver.

### Java Programming, Final Project

*Movie Theater Booking System (JavaFX Project)*

**Lawrenceville, GA**

*October 2020 - November 2020*

- Used JavaFX framework for developing and learning a simple Java GUI program.
- Demonstrated object-oriented design and programming for constructing elements of movie theater booking system such as theaters, seats, and films.

### Beginning Python Programming, Final Project

*Pygame Project*

**Lawrenceville, GA**

*June 2020 - August 2020*

- Utilized pygame engine for writing video games using python.
- Modularized a group of elements for computer graphics and sounds in sound libraries.
