Course Title: Physics 2211

Semester/Year: Fall 2023

Note:

Hello! You probably forgot who we were (Gloria and Mim) but we just wanted to say that you are very cool. Sorry for asking you what "mg" was equal to...we figured it out eventually...Thanks for being a fun physics TA and giving very in depth explanations for basically every subject, math and CS included. (Please teach me Java. Just kidding. Kind of.)

"Every day, you inspire us to be less stupid." - Mim

Have a nice day !!
