Song (PHYS 2211) Very willing to help and answer questions, clear explanations.  Song (PHYS 2211) explaining ability  Song (PHYS 2211) Very knowledgeable and wanted to actually make students understand the topics.  Song (PHYS 2211) He was very engaged in the classwork and always walking around looking for someone to help.  Song (PHYS 2211) The TA was excited to explain physics concepts and very approachable  Song (PHYS 2211) Explaining  Song (PHYS 2211) He was very engaged and always in a good mood which created a light environment for labs.  (PHYS 2211) He was very enthusiastic when explaining confusing questions to us. He also was very good at explaining fundamental concepts that were related to the problems that we struggled with.  Song (PHYS 2211) he explained things in an easy to understand way  Song (PHYS 2211) Amazing teacher  Question: TA: Improvements  Song (PHYS 2211) I think that some of his explanations could be better if he just explained the whole problem, rather than just working most of it out and then assuming we would be able to solve the last part on our own.  Song (PHYS 2211) Sometimes he was hard to understand as his explanations were a bit convuluted  Song (PHYS 2211) While I understood why he would give intentionally vague answers (to try and lead me to the correct answer on my own / Socratically), sometimes when responding to my questions the answer was only a handful of other questions that didnt advance me forward.
